Professional Experience

IBA Data Analyst — **Cisco Systems** Oeiras, Portugal
Hybrid — *Mar 2025 – Oct 2026*

- Modeled enterprise hardware lifecycle data across customer accounts, identifying multi-million dollar upsell opportunities using predictive renewal analytics and behavior pattern recognition.
- Built executive dashboards integrating Connected Apps and Salesforce data streams, establishing clear KPI tracking visibility for account managers.
- Collaborated with cross-functional support, sales, and success teams to define lifecycle SLA expectations, driving a 22% improvement in contract renewal rates.

Senior Digital Growth Specialist — **VCW Lab at Nova SBE** Cascais, Portugal
Hybrid — *Nov 2024 – Apr 2025*

- Executed technical SEO overhaul and content cluster strategy, growing organic traffic by 270% in 5 months to reach 38,000 monthly organic visitors and ranking #1 for 12 competitive keywords.
- Engineered an AI-assisted keyword clustering script in Python, mapping 110+ high-intent topics to automate strategic content brief creation.
- Conducted deep technical SEO audits fixing JavaScript rendering issues and Core Web Vitals, driving a 38% increase in mobile site speed and crawl efficiency.
- Architected email CRM data segmentation across 6,200+ contacts, achieving a 21% increase in open rates and a 6% lift in click-through rates.
- Designed an A/B testing framework across 22 landing pages, optimizing multivariate conversion paths and user CTA engagement.
- Edited 45 videos in Adobe Premiere for YouTube with search-optimized descriptions, driving an 11% increase in organic video traffic and 2,400+ views.

Customer Experience Business Analyst — **Cisco Systems** Oeiras, Portugal
On-site — *May 2024 – Oct 2024*

- Architected Salesforce CRM analytics solutions supporting customer profiles, streamlining account workflows and reducing data retrieval times.
- Automated digital customer journey touchpoints, generating a 35% increase in qualified leads and a 28% boost in conversion rates.
- Performed customer cohort analysis to identify churn indicators and deliver targeted retention insights for account management leadership.

Data Engineer & Data Collection Analyst — **Nest Seekers International** New York, USA
Remote — *Oct 2023 – May 2024*

- Engineered Python ETL pipelines to scrape and aggregate global real estate datasets from 17 international sources, improving system data accuracy from 72% to 97%.

- Developed market intelligence dashboards in Excel to identify high-value luxury property opportunities across global branch offices.
- Created tailored email marketing subscriber segments in Mailchimp, directly supporting luxury real estate transactions valued at over $5M.

Technical Support & Service Delivery Analyst **Teleperformance (Meta Account)** Lisbon, Portugal
On-site *Sep 2023 – Nov 2023*

- Managed digital ad technical delivery for 110+ enterprise advertiser accounts monthly, resolving campaign tracking issues within SLA deadlines.
- Analyzed recurring platform technical incidents, submitting actionable insights that improved ad delivery reliability and achieved a 96% CSAT score.

WordPress Web Designer & Digital Marketer **TEDxNOVA** Lisbon, Portugal
Freelance *Mar 2023 – Sep 2023*

- Designed and deployed the official TEDxNOVA website, boosting organic traffic by 28% through optimized UI/UX and responsive content architecture.
- Executed email marketing campaigns to 2,500+ subscribers, driving an 89% deliverability rate, a 41% open rate, and 4,800+ total registrations for a sold-out event.
- Implemented GA tracking and conversion goal funnels alongside landing page A/B tests, achieving a 23% increase in CTA click-through rate.

Web Design Specialist & Content Writer **Greenment LDA** Lisbon, Portugal
Remote *Oct 2022 – Mar 2023*

- Mapped website content hierarchy and URL structures according to SEO best practices, optimizing site crawlability and user navigation.
- Formulated a YouTube content optimization strategy (metadata, tags, titles), increasing organic channel traffic by 11% within 3 months.

Webmaster & Web Designer **Brainbox** Tallinn, Estonia
Remote *Mar 2021 – Feb 2022*

- Designed and developed an international English web platform showcasing online neuromarketing courses.
- Conducted quantitative competitor analysis using web analytics and market benchmarks to guide UI layout adjustments.

Senior SEO Strategist **Abdin Digital Marketing Agency** Tehran, Iran
On-site *Apr 2020 – Mar 2021*

- Led end-to-end SEO strategy for 9+ client websites, driving 95K+ additional monthly organic impressions, a 210% traffic increase, and $180K in organic revenue.
- Refactored technical website architecture for large e-commerce sites (2,000+ pages), cutting page load times by 42% and boosting indexation.
- Implemented JSON-LD schema markup (Product, FAQ, Org) across 50+ pages, increasing SERP feature visibility by 67% and generating 1,400+ rich snippet impressions.
- Managed a team of 3 content writers and coordinated 5 specialists to achieve top-3 Google rankings for 32 high-volume search keywords.

Digital Marketing Specialist **Vichy Teen** Tehran, Iran
On-site *Sep 2019 – Feb 2020*
